**Looking for a Place to Vote?**

[pollfinder.sos.state.mn.us](http://pollfinder.sos.state.mn.us)

This is the Secretary of State web site that allows you to find your polling place. Check early, because it is very busy on Tuesday, November 4<sup>th</sup>.

Contrary to what you may have heard, students are allowed to vote at their school location using your student ID as appropriate documentation. This was a Supreme Court ruling, and no student should be turned away if their permanent address on their driver's license is different than their current residence.

**FAITHFUL CITIZENSHIP:  
the challenge of forming conscience**

Tuesday is election day, and a day to exercise our right and freedom to vote. A number of people have mentioned that they found the **FAITHFUL CITIZENSHIP: the challenge of forming conscience** insert in the bulletin a few weeks ago to be helpful in their election day decision making. Copies of that insert are available on the tables in the Gathering Space.

**Forming a New Parish Pastoral Council**

The Parish Planning Taskforce recently met to continue the work of preparing for the formation of a new Parish Pastoral Council. At this meeting there was a lengthy discussion about "mission" —the mission of God (begun in the work of creation), the mission of Jesus as he furthered that mission, and the work of the Church —the universal church, the diocesan church, and the local parish —in the service of, and as an instrument of God's mission to the world. Following this discussion of mission, the Taskforce spent the remainder of the meeting working to create a draft of a new parish mission statement. At its November meeting the Taskforce will participate in the process of discernment that potential members of the new Council will experience. Following the Council guidelines adopted this summer, the Taskforce is on target for the formation of a new Parish Pastoral Council this coming spring. All members of the St. Lawrence-Newman community are invited to begin their own discernment about their possible service to the community through the ministry of Council membership. Copies of the Council Guidelines are available in the Gathering Space. The members of the Taskforce are: Terri Danckwart, Stephanie Heyroth, Brian Hunke, Jackie Hunke, TJ Mackenzie, Bill Murtaugh, Alice Moormann and Richard Hanson.

**Deacon Paul on St. Paul**

**(in the Year of St. Paul)**

Rome ruled the Mediterranean basin. They had built a network of paved roads covering 55,000 miles. Paul on foot traveled the Egnatian and Appian ways preaching.

The future welfare of religion is dependent to a great measure on the social application of Christian principles to the questions of capital and labor, landlordism, and the rights of the cultivators of the soul.

**Thank You for All You Do**

The following letter was recently received: *"My daughter is a freshman at the Twin Cities campus. She was very homesick until she visited your parish. The warm welcome she received the first time she stepped into your church has given her a sense of community. I would like to thank you for the wonderful job you do in welcoming these young people into the area. The one thing she wanted to do with me while I was visiting (on Parents Weekend) was take me to her church. She told me how amazing the choir was. I must say I was not disappointed. I felt very welcome and at home at your parish. And by the way, the choir was amazing. I am enclosing a donation to your parish. Please accept it as a thank you for all you do."*
